Shreya recently done my bridal makeup so here what I want to share, she came early morning without reminder on time, fully prepared and with the sweetest smile and honestly, that itself calmed half my stress! Her makeup was pure magic flawless, natural and just my skin but better! Even cameraman kept praising how beautifully you blended everything... no layers showing, no creasing, nothing heavy... just effortless glow thank you. In every photo, I look exactly how I dreamed soft, elegant and naturally beautiful. I'm so grateful for her patience, her talent and the positive energy she brought while getting me ready. Thank you for putting your heart into my look ❤️❤️

I'm so happy with the makeup! It looked natural and flawless—light, smooth, and not at all cakey. Her brushwork was perfect and she understood exactly what I wanted. She's also very friendly and professional, which made the whole experience wonderful. Highly recommend!🥰 I just loved it ✨
